As such, it is imperative that defendant be enjoined for continuing to use the Collateral which constitutes the security given to plaintiff for its own purposes as it will be dissipated and nothing will remain to satisfy the amounts due to plaintiff.

28. By reason of defendant's default, pursuant to Section 8 of the Security Agreement, plaintiff, as the appointed Agent, shall have the right to exercise all of the remedies conferred under the said Security Agreement and the June Note, and is entitled to have all the enumerated powers and rights thereunder, including but not limited to the right to take possession of the Collateral and sell same.
